## Harrowing And Unsettling Nocturnal Tales Encircling Detroit

### "Demented Dr. D's Deranged Fables"

Tallerico Tours is proud to announce the always popular H.A.U.N.T.E.D. Tour! *"Harrowing And Unsettling Nocturnal Tales Encircling Detroit"*.

This is the **final** tour of the year!

Unfortunately, Detroit's Professor T has been missing and the tour will be narrated by Demented Dr. D, (from parts unknown). Look for the man in the tux wandering aimlessly around Alexandrine and Woodward.

Learn about the street creatures, monsters and killers that roamed the Corridor. Help us search for the Cass Corridor serial killer who was never caught and some believe still lurks in the alleys waiting for victims. Visit where the Grosse Pointe doctor was murdered, then dismembered by his Cass Corridor killer with a Ginzu knife.

See the largest Masonic temple in the world that is also considered by many to be one of the most haunted places in the United States. Learn how the

Ghost Bar got its name, peer inside the historic apartment building that was the scene of a poisoning murder and now where many have seen a flying white apparition in the hallways, and find out why the spirit of Charles Lindbergh haunts Detroit Public Schools.
